

# MUSICAL BOUNCE BACK MANIFESTO

In Musical Bounce Back we are aiming to

- 1. Increase the representation of women's visibility and discover music beyond borders**
- 2. Raise awareness on gender equality through individual and collective action**
- 3. Change societal's perception on gender, addressing and involving more people and organizations into the discussion**
- 4. Break/Address gender stereotypes across all music fields (fo example: education, composition, performance, production)**
- 5. Encourage younger generations to express themselves beyond expected gender roles**
- 6. Promote ethical accessibility by the creation and use of digital tools respecting composers IP (Intellectual Properties)**
- 7. Use music as both message and medium for self-realization, social transformation and intercultural dialogue**
