

MUSICAL BOUNCE BACK MANIFESTO

In Musical Bounce Back, we are aiming to:

- 1/ Increase the representation of women's visibility and discover music beyond borders
- 2/ Raise awareness on gender equality through individual and collective action
- 3/ Change societal's perception on gender, addressing and involving more people and organizations into the discussion
- 4/ Break/Address gender stereotypes across all music fields (fo example: education, composition, performance, production)
- 5/ Encourage younger generations to express themselves beyond expected gender roles
- 6/ Promote ethical accessibility by the creation and use of digital tools respecting composers IP (Intellectual Properties)
- 7/ Use music as both message and medium for self-realization, social transformation and intercultural dialogue
